

EACL

European Association of Regulatory
Consultants and Contract Research
Laboratories

Introducing the EACL

Established in Europe – open to members Worldwide

The EACL is for Regulatory Consultants and CROs with a complementary professional interest in the regulatory procedures managed by the European Food Safety Authority (EFSA), the European Chemicals Agency (ECHA) and other bodies, such as the European Medicines Agency (EMA), regarding applications and other notifications that are submitted to these agencies.

Classed as a 'registered stakeholder,' EACL members can actively contribute to the discussion of the European Union's regulatory bodies.
